Congratulations to all the winners. Again this year the judging was an extreme challenge, but like always a very interesting one. On behalf of Ontario Command, I congratulate all those who submitted entries to this annual contest and hope that you will continue with this program! The Bulletin and Scrapbooks are a time consuming task and I congratulate every editor on a job well done! To those Branches and Ladies Auxiliaries that produce either a bulletin or scrapbook and do not send in entries to the contest, please consider making an entry into next year's competition. You never know what your achievements as editors of your Branches or Ladies Auxiliary's historic chronicle will result in for this contest.

Once again, congratulations to all!

Yours in Comradeship,

Carolyn McCaul  
Provincial Public Relations Chairman
